Foreword

Throughout the many years of life there are little memories that may slip away from us and in the years to come we'll remember less and less about our high school days.

The many events in high school... dates, ballgames, dances, and friends... may be remembered better if they are associated with the annual for that year.

May the edition of the TIGER ROAR for 1960, with its new name and the Western theme; bring many happy thoughts to you—now—and in the years to come....

Dedication

We dedicate this year's annual to one who has helped many of us begin our first year in high school on the "right foot." He is a teacher who is known to all the students at Fair Grove. His soft-spoken manner has gained him many friends among both students and parents. He is a sponsor of the Freshman class and also sponsor of the Fair Grove Chapter of the Beta Club.

Yes, this edition of the 1960 TIGER ROAR is dedicated to MR. BILL GARRISON.

Seniors

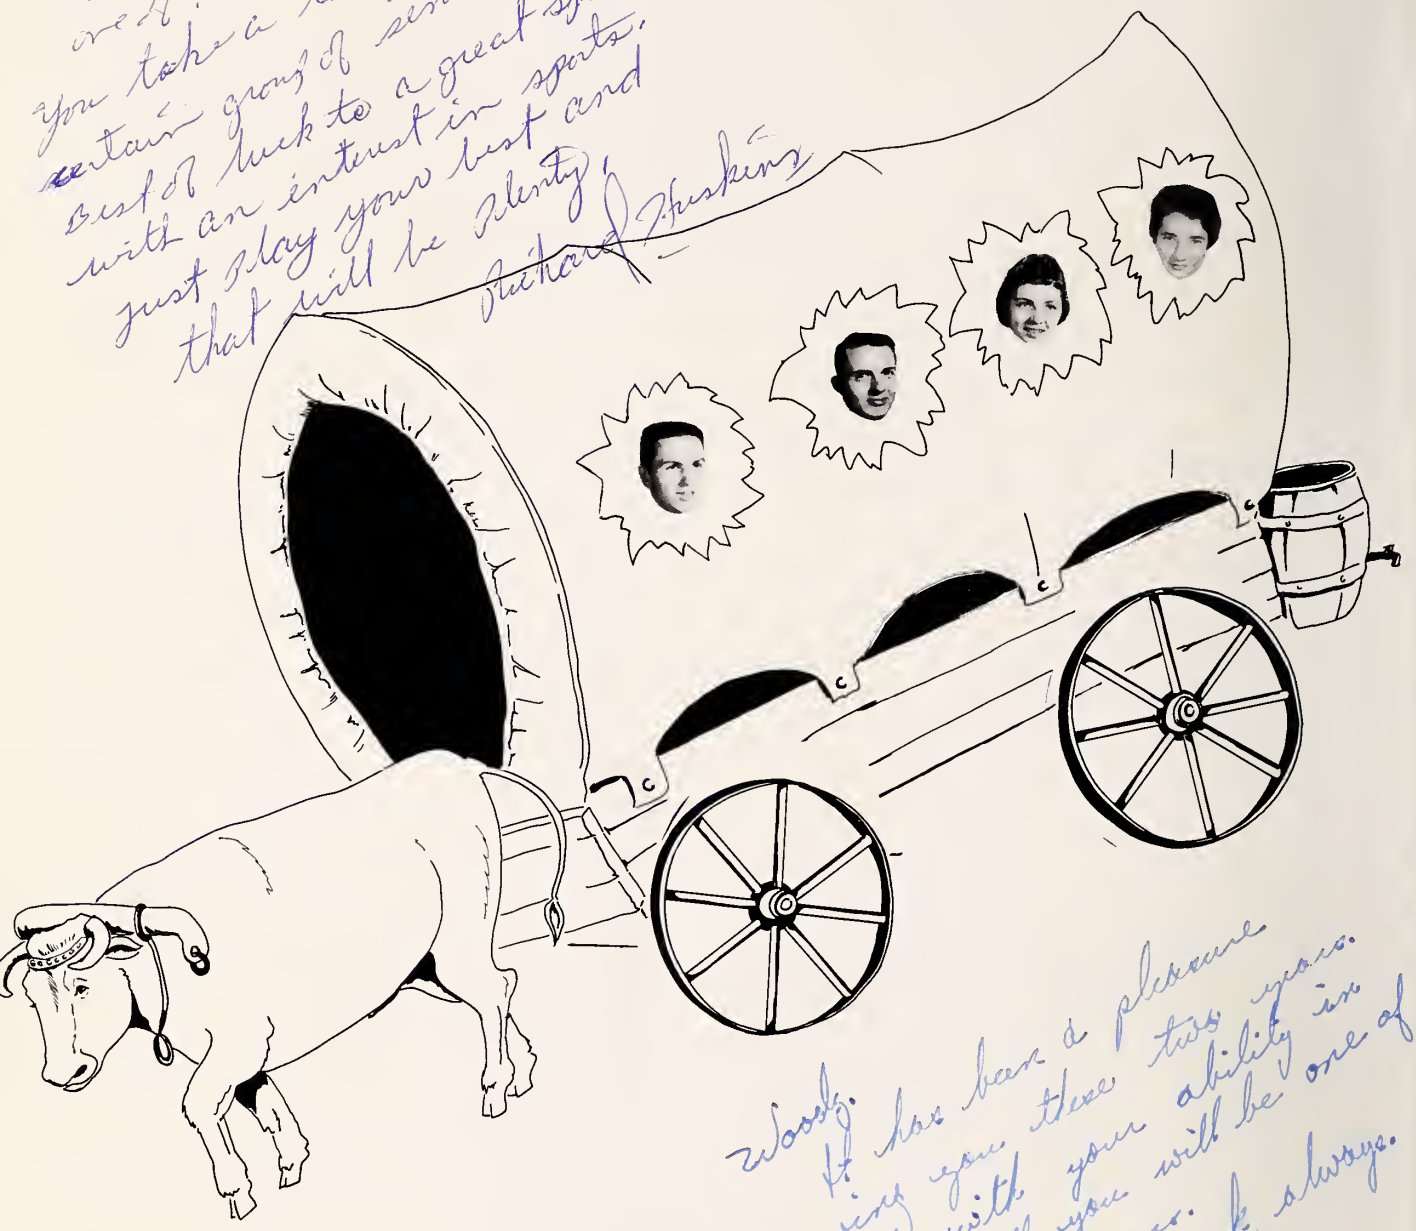
Windy
You're in my opinion
one of the best.
You take a lot from a
certain group of seniors,
but keep up the good work
with an interest in sports.
Just play your best and
that will be plenty!
Richard Huskins



Woody,
It has been a pleasure
knowing you these two years.
I think with your ability in
playing ball you will be one of
the key players.
Best of luck always.

Class History

A few years ago 96 young freshmen entered Fair Grove's new High School. Our class being the first freshman class to enter the new building, we considered it quite an honor. Now we are a class of 48 excited seniors. We look back over the years and remember our many projects to make money. These money-making projects, with the help of Mrs. Fowler, are still continuing as we look forward to our Washington trip next spring.

With our last year almost gone, we want to express our appreciation and fond affection to—our school's faculty. In our hearts Fair Grove will always be OUR school.

Class Prophecy

"Hi Ivey!"

"Well, well, Dixie! When did you open up 'Dixie's Diner'?"

"Just a couple of years after we graduated. Can I get you something?"

"Just a cup of coffee. Have you heard from any of our classmates lately?"

"Sure have! Sometimes they drop by here to eat."

"So, what's the latest?"

"I see PATTY FLOYD regularly, she and Pete are still living in Thomasville. She really has her hands full with the twins.

"CHARLES STEPHENSON is sticking pretty close to home too. He's preaching up near the mountains now, really doing great work.

"LINDA STILLWELL and GENELLE BYRAN were home to visit their folks just last week. They design clothes for tall women, even have their own shop in New York.

"PEGGY FLEMING and JANICE MYERS always had a knack for writing, now they own a newspaper in Chicago.

"AARON KENNEDY is talking life easy over in Hawaii. He lives there now.

"JAMES LOMAX now has a chain of Lomax's Grocery Stores all over the U. S.

"BARBARA GOINS has become a great brain surgeon. She's finally looking on the serious side of life.

"LINDA SAMUELS came by the other day. RICHARD HUSKINS has graduated from college and is playing professional football.

"Since JANE ELLIOTT's father has retired she's opened up another florist on this side of town.

"I got a letter from SYLVIA PALMER yesterday. She just got another promotion. She's making a career in the navy, you know.

"JAMES TURNER always stops by my diner when one of his runs goes by here. He's still driving a truck.

"Say, Ivey, did you know that JOYCE BECK is the first lady police chief in the history of Thomasville?

"BRENDA HARRIS and VIRGINIA SPARKS have created a "Sister Act." They dance and sing in night clubs all over the U. S.

"Just look at this picture of REGGIE BYERLY on this magazine! He's made his life a success modeling men's sportswear.

"DOUG O'KELLY just made another astounding discovery. I never thought he'd be a scientist.

"NINA RICHARDSON enjoys life. She and her rich husband travel around the world helping people. Nina was always kind-hearted.

"JAN LAMBETH is coaching basketball out at Fair Grove High School. SUE EMBLER is her assistant.

"JEFFREY McKINNON is working in his soap factory all week and fishing during the weekends.

"JERRY ALFORD is President of the local bank now. He always did look like an official to me.

"BARBARA SMITH's husband is making a career out of the army. Barbara goes with him wherever he is stationed.

"CAROLYN HUGHES finally married a boy from her old school.

"JESSE WATFORD and JAMES WOODS have opened up a school for taxidermists in Raleigh.

"Ivey, you should go to 'The Rock' one night while you're in town! JERRY LITTLE, WILSON HEPLER, and JERRY JONES are playing there this week. They have the most famous three-piece band around.

"Since MARGARET GRUBB's reign as Miss America is over, she has been giving majorette lessons to high school girls.

"MABEL SUGGS has become a successful actress. She has a contract with Warner Bros. Right now she is making a new movie.

"MARKS FARMER has become a stock car racer.

"BOBBIE BUIE, EDDIE PIERCE, JOHNNIE RUSSELL, SIDNEY WHITE, and JOSEPH WILSON are still working at different jobs around Thomasville.

"FRANCES THAYER and RUBY WELBORN have entered a convent and are living their lives as nuns.

"PEGGY MORRIS and LINDA EVERHART are now nurses in a hospital down in Florida.

"You remember BARBARA KIVETT, don't you? She's manager of the Greyhound Bus Lines now, I guess she just couldn't give up her love of buses.

"Mrs. Flowler finally got another senior sponsor to help her. Don't you remember BONNIE BLACK?"

Woody, (redacted)
I sure has been and
will be fun being in your
classes these last couple of
years. You've got swell talent
in sports, especially football
(will get the championship again next
year if you keep up that running).
When are we going to work on that
biology. Well, pal I'll better hang
up because I'm not to good at talking.
Keep that good spirit and you'll go
places.
Jerry Smith

Well, we've
finally finished Latin,
now it's all behind
us. We've got two
more years and I
hope that we'll
enjoy them like we
have the two
behind us. Lots of
Luck.

Jim Harris

Woody, you are a swell
guy and one of the best friends
a boy could have. I'll always
remember you running right
behind me in football games.
Best of luck and keep the team
going next year.

Well football season
will soon be here again

in playing with you
next year.

Woody, (Woofy)
It's been great having you as one of my new found friends. English, Latin and Algebra would not have been the same without you. I'm sorry for all the times I beat on you in English. It really didn't hurt did it? Latin has been a fun house, hasn't it. I bet Mr. Skaggs will be glad to get rid of us. Those chocolate donuts were mighty tasty, the one I won in bets.
Well we've got two more years. Let's hope we get in the Beta Club, but that 68 in Algebra isn't helping any. I can't wait until next year, so I can be yelling for you.
Wishing a boy like you good luck is useless. Why, what else could come to you. May we always be the best of friends.
All my love
Lynda Kay

P.S. I hope to see you about this summer.

Woody,
I have thoroughly enjoyed being in High school with you. You are one of the nicest and sweetest boys I have ever known. Stay as you are and I know you will be a success in life. Lots of luck in the future.
